### When will SRCS Counselors be visiting your child's Elementary School to discuss course selection for 7th grade

[HERE](#) is the schedule of when Jr. High counselors will be visiting each Elementary School to discuss course options for 7th grade and the exciting opportunities Junior High has to offer! The link is to a live document that dates are added to, once they are confirmed. Keep your eye out for course request information that your child will be bringing home after the counselors visit their elementary school.

If your child will be entering a grade higher than 7th grade, the school staff will be in contact after registration to help you with course selection.
